MR

MEMORANDUM FOR: [REDACTED] PCS/LOC  
FROM : [REDACTED] OLC/HSCA  
SUBJECT : HSCA Requests for Various Materials

1. HSCA has requested us to send to them "official" Agency statements on various topics. Betsy Wolf, HSCA Staff, developed the attached list of previous HSCA Request Letters which contain requests for such statements.

2. In most cases, the specific HSCA request has been answered by us with an indication that "material in response to the request is available for review at Headquarters." Your office has developed many of these responses and placed them in reading folders. It is these responses that the Committee now wants delivered to their offices.

3. Please review the attached listing for those items pertaining to your Directorate. For each of those items so identified, please develop a coordinated DDO response that may be transmitted to the Committee.

5. Thank you for your assistance.
